To Whom it May Concern,

Our restaurant group has been a customer of Aloha's for over 15+ years. Within the last year, the MF Restaurant Group has partnered with HCS for locations in Nashville, TN and now Chattanooga, TN.

HCS has a level of customer service that surpasses our expectations time and time again. Our operating partners and general managers have great access to support through HCS and feel that their needs are always handled in a timely manner.

As a restaurant group with 8 locations and more on the way, partnering with HCS is highly recommended. From on site training, emergency help, and knowledge, we have been very pleased with HCS.

Thanks,

Tenley Mayfield
